COUGAR BROTHERHOOD

- “One thing I liked about playing football for Cibola was how everyone was a family & had each other’s back. Through our wins and losses we still stuck together & challenged each other everyday. We were all brothers. To this day we all know we would still be there for one another, it goes beyond just football.”
 — **DEREK MARTINEZ All District QB ‘13**
- “I like how hard we worked and how the guy next to you was willing to work as hard, if not harder than you.”
 — **J UAN PIMENTEL All-State DL ‘14**
- “Being a Cougar meant a lot to me . No matter what kind of day I was having I knew that when I got around my brothers on the field I could be myself and enjoy being with them.”
 — **JEREMIAH BELL All-State LB, District Defensive Player of the Year ‘15**

- In 2015 the Cougar Football team went to the playoffs for a third consecutive season.

The purpose of the COUGARS Football Camps is to teach every player the fundamental and advanced skills necessary to make him a better football player.

The COUGARS Youth Football Camp is a productive camp for young players to learn the skills needed to participate in Youth football leagues and later in High School football. It is basically for learning football techniques, and focuses on instruction for all positions. Each player will have equal offensive and defensive practice sessions to give them equal exposure to both sides of the ball. The emphasis will be on fundamentals. Young men just starting their football training or those looking to advance their present athletic skills are encouraged to attend this camp.

REQUIRED EQUIPMENT: Every player should have a Hat, Shorts, Cleats, sunscreen; and a water bottle with your name on it for each practice.

Cibola Head Football Coach Rod Williams

We are excited about the outstanding football program Coach Williams is building on the Westside of Albuquerque. Coach Williams has led the Cibola High School varsity program to what the Albuquerque Journal called “one of the greatest turn a rounds in APS history,” turning a one win program in 2012 into a perennial playoff program.

ASSISTANT COACHES

Coach Williams is assisted by several **dedicated, hard working, and knowledgeable** high school coaches who strive to “Build Better Men.” The CHS football assistants are great teachers, who enjoy working with young people; including **former New Mexico Lobo and Atlanta Falcons pro football player Eric Jack**, who heads up the Defense.

Through non-contact, station-based training, coaches will provide age-appropriate skill development for kids ages 6-14 years old. Kids learn to run, throw, catch, defend, form block, form tackle, and explode out of their stance with proper technique.

Camps feature safe, non-contact football instruction that challenges experienced players and effectively introduce newcomers to the game. With patience and encouragement, kids gain confidence and that's what it's all about.
